

WARRANTY PROCEDURES AND CONDITIONS

The following advisory is intended to explain Greentek's warranty procedures with regard to Greentek IAQ products. Note observing proper warranty procedures will expedite the processing of warranty claims and will help reduce the number of claims that are denied. Please take note of the following warranty procedure to avoid the denial or a reduction in the reimbursement to your warranty issues or claims.

NO CLAIMS WILL BE ACCEPTED WITHOUT AN RGA NUMBER

STANDARD WARRANTY PROCEDURES Upon notice of warrantable failure, information should be gathered specific to the cause and results of the failure. Warranty claim request must be filed within 30 days of failure.

Contact Greentek Customer Service/Technical Support Line at 1-888-724-5211 and explain the situation, including model and serial number of the machine. We will advise as to proper procedures to either repair or replace as necessary and the warranty coverage available.

Order the parts required to replace the defective parts after authorization by faxing your order to 1-866-426-7430. Important the unit model as well as the serial number must be stated to insure replacement parts are accurate.

Greentek's Warranty Claim Form or similar form must be filled with the specific following information: model, serial number, date installed, installer, distributor and a detailed report on the failure.

Retain all defective parts (well identified) with the claim report, warranty claim form. An (RGA) Return Goods Authorization Number must be obtained before any parts or claims are returned or authorized to be scrapped in the field. Call Greentek's Customer Service Line at 1-888-724-5211 for an RGA Number.

Invoice/Greentek's Warranty Claim Form or similar for warranty replacement parts must be accompanied by the model and serial number of the defective unit.

Notice: The MODEL NUMBER, SERIAL NUMBER and RGA NUMBER must be supplied at all times. If failing to comply in regards to the above procedures, no warranty claims or credit will be issued.
